EPIC Sofa

An armless designed sofa with flexible modular configurations and highly customizable properties. The Epic Sofa even showcases the newest technologies, with a compatible wireless charger on the storage unit.

Epic offers a complete line-up of armless elements with the option of adding armrests that comes available in a fully upholstered version or a wood + Eco-Leather combination.

Presenting ample versatility, the Epic can be effortlessly configured for smaller intimate spaces, to scale up to accommodate for large entertainment gatherings.

Specifications

AUSTEN Chair

With its crisply tailored upholstery, and architectural stance the Austen collection offers comfort without compromising in design

Available in both a daybed and a lounge chair version; the Austen Chair is available in all leather, or fabric + leather combination. When fabric + leather combination is selected, the leather is luxuriously upholstered on the back, bottom frame, armrest, as well as the piping on the cushion. The black metallic steel frame is highly durable, while cushions consist of high-resilient foam with feather down layer.

SPIN Coffee Table

The Spin Collection's design is derived from inspirations of handmade metal sculptures, combining creative artistic aesthetics with daily function all in one.

Each Spin table base is hand molded out of a piece of steel, and finely finished off with a black metallic paint, or Eco-leather. The top is available in various marbles, or smoke grey glass finish.

RUBIX Sofa

The newly redesigned Rubix Series is the perfect example of modern, modular design with endless configurations to suit your needs.

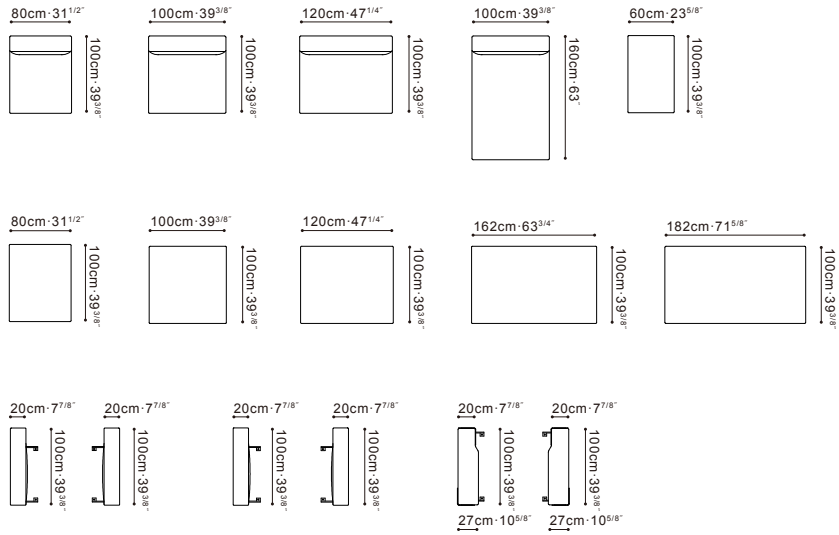

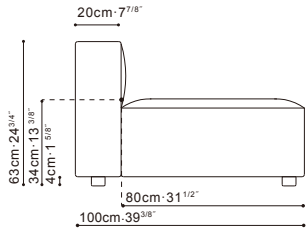

With careful attention to detail such as the inlaid black piping that frames the clean edges of each Rubix Sofa and optional marble armrests, this collection stands out from the typical boxy sectional.

BLOOM Sofa

With simple lines, slender backrests, and tailored armrests, the Bloom Sofa series is a timeless classic to any space.

L-shaped arm components conveniently boosts versatility as well as flexibility to various configurations. Hexagon corner models allow for limitless combinations. Gorgeous leather wrapped armrests not only make for an impressive design statement, but it also doubles up as an easy-access side table. Tailored to perfection, tufted cushions add a hint of classic to this otherwise very contemporary flair. Available in numerous modular components: arm sofas, armless sofas, hexagon corner sofas, chaises, and ottomans to create flexible configurations with your choice of fabric (removable), or leather upholstery.

Specifications

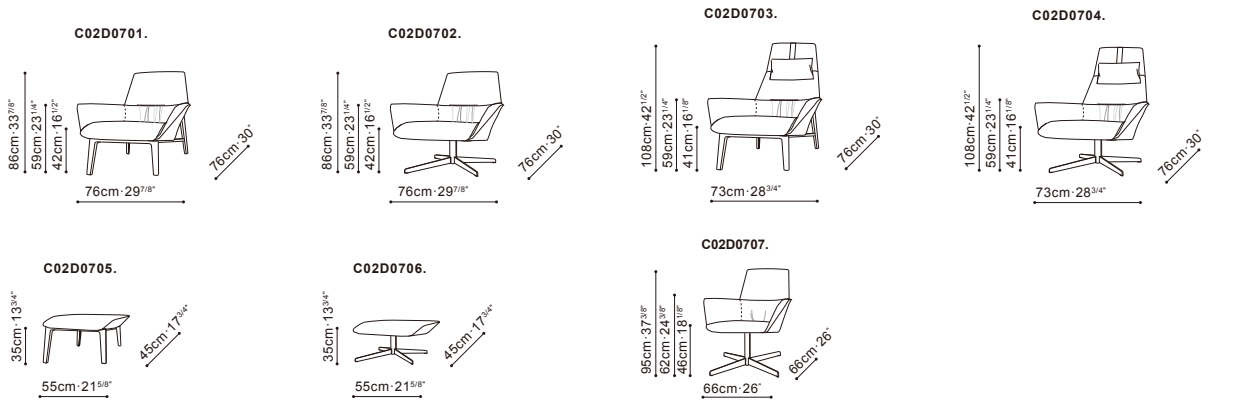

QING Chair

Like a piece of paper folding, the Qing Chair looks as though a single piece of paper was creased at the arms, back and headrest to provide comfort in addition to design.

Filled with integrally-molded polyurethane foam, the crisp lines of the Qing Chair are softened giving supple support to the back and seat. Whether on a Grey Oak wood frame or on a swiveling Black Titanium base, the Qing series can be done in your choice of fabric, leather or a combination of the two; the options are endless. Also available in a low back version or with an optional ottoman.

LEMAN Chair

The epitome of modern design, the sharp masculine lines of the Leman chair are a welcome addition to interiors ranging from mid-century to contemporary.

Available with darkened steel frame, your choice of fabric or leather uphollsters seat cushions layered with high resilient foam and feather and an optional loose back pillow filled with a feather-down blend.

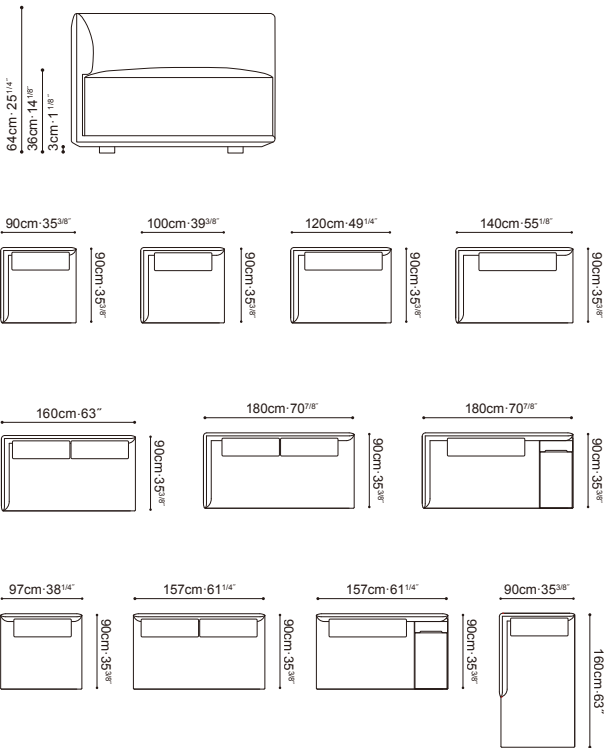

ELAN(New) Sofa

Modern and modular, the ELAN(New) scales seamlessly from small apartments to expansive lobbies, providing impactful design no matter the size.

Coupled with the series’ signature, (optional), two-toned upholstery, the Elan’s flexible components allow for much customization in configuration. Nestling in the built-in Eco leather wrapped wooden table with soft-close drawer, between tightly fitted fiber topped high-resilient foam seats, the Elan Sofa instantly becomes as practical as it is striking. Available in sofa and sectional configurations with your choice of fabric (removable), leather, or fabric and leather combination upholstery.

VAST Chair

The chairs reclined back and inclined seat padded with polyurethane foam provides the perfect balance between comfort and support.

Bracketed by Grey Oak or Natural Oak solid wood arms, the Vast chair is strikingly modern with its exaggerated backrest and low-slung seat.

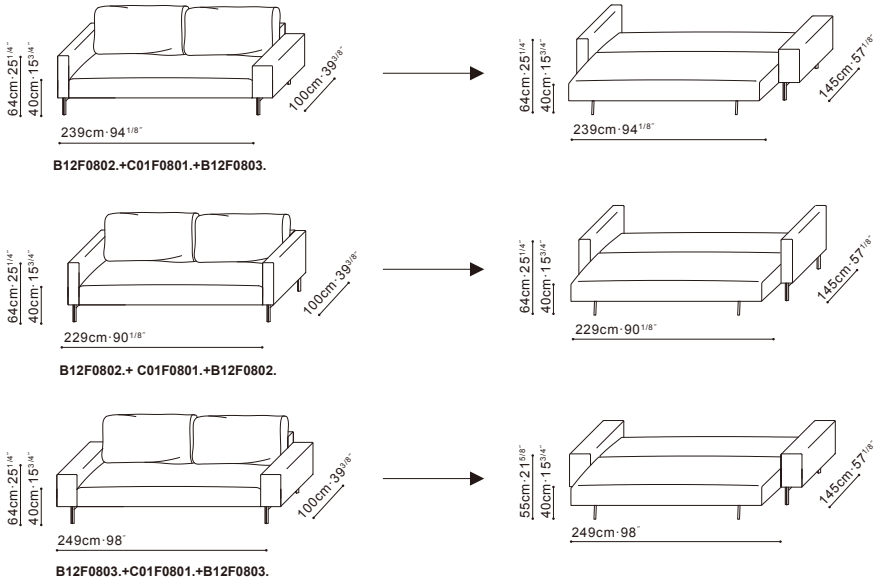

LOLA Sofa Bed

A sofa, or a bed, it's up to you. An elegant shape and multi-functions are achieved through an easy transformation.

Tall and thin metal legs present a clean look, while the free combination of wide or narrow armrests adds more variations and fun to life.

Configuration :

Simplicity at its finest the Nature Sofa isn't designed to distract but to add to its surroundings. With simple lines the Nature Sofa's modular components allow for boundless configurations meeting the needs of every unique space without compromise.

A modern living room interior featuring a light gray sofa with a dark wicker base, a light gray armchair, a round glass coffee table, and a long light gray sideboard. The room has large floor-to-ceiling windows overlooking a lake and trees. A floor lamp with a blue shade stands near the sofa. The floor is covered with a large, patterned rug.

The plump, amiable shape looks particularly warm and comforting.

A modern living room interior. In the center, a light beige sofa with dark legs is positioned on the left. To its right are two orange armchairs with dark legs. A round, light-colored coffee table with a dark base sits in front of the sofa. Behind the coffee table is a long, low wooden sideboard with multiple drawers and doors. On top of the sideboard are two vases: one tall and dark with dried grasses, and one smaller, dark, rounded vase. A small bowl of fruit sits on the coffee table. The room has a white wall with a dark wood horizontal accent at the top. A patterned rug is on the floor. The overall aesthetic is minimalist and contemporary.

STRATUS Bed

Inspired by towering mountains, the highback design of STRATUS recreates the visual impact of openness and continuity.

Undulating upholstery embraces a rigid backboard to highlight captivating contours that assure both softness and structure, while rich, contrasting textures create a playful interplay between the real and the virtual.

The bed is available with or without a screen. The screen version features a suspended drawer on each side with a thoughtful spot reserved for a power strip.

NATURE Bed

The Nature bed is irresistible with its sumptuously cushioned headboard and understated profile.

Style and substance come together in this comfortably modern bed design. Nature's wooden frame is covered with dense polyurethane foam to support its substantial cushioning. Channeled down feather surrounds the headboard, bringing an ambience of softness.

LUNA Bed

Nothing says “sleep in” like our luxurious, streamlined Luna bed. The elegant headrest is constructed from solid birch and plywood reinforcements.

Luna bed's plywood rails are covered in a polyurethane foam and fabric lining, while the beechwood slat system allows for a touch more control in mattress firmness. Slender darkened steel legs bring a touch of modernity to this crisp design. This low profile piece simply glides into any contemporary bedroom set.

MELODY Bed

The Melody Bed's signature design is in its beautifully tapered headboard, which is both elegant yet functional. It's perfectly inviting silhouette demonstrates perfection from every angle.

With impeccably streamlined proportions, the Melody Bed is available in all fabric, all leather, or fabric + leather combinations. The sound structure is well supported by four glossy grey metal legs.

EMBRACE Bed

Let yourself be enveloped by the soft romantic lines of the Embrace bed.

Representing the bed version of the beloved Embrace chairs, the Embrace bed features a gently curving headboard constructed from a solid birch and rounded plywood – all supported by an internal steel frame. Plywood railing ensures stability and strength, while the polyurethane foam cushioning provides visual and tactile comfort. Upholster in your choice of fabric or leather options. Thin, strong steel legs finished in demure black adds a modern touch to the Embrace look.

AMOR Bed

The soft AMOR bed provides a “suspended” design that ensures relaxation, as well as a double folded tight back which gives shoulders and waist better support.

Steel-framed beech wood slat with narrow rib gaps is friendly to the pocket spring mattress. Available in Fabric or Leather options. Fabric covers removable on Velcro.

PEBBLE Side Table

The Pebble side table is an essential addition to the modern living space.

A sturdy steel post and steel base ensures stability as this chic design slides up to your bed or sofa. Choose from Black wood veneered tops; for a more luxurious feel opt for the Carrara marble top option. With an air of the whimsical, the Pebble’s compact nature enhances your interiors without overshadowing them.

SPIN Table

The Spin Collection’s design is derived from inspirations of handmade metal sculptures, combining creative artistic aesthetics with daily function all in one.

Each Spin Dining Table base is hand molded out of a piece of steel, and finished off with a black metallic paint, or Eco-leather. The top is available in various marbles, or smoke grey glass finish. The Spin Dining Table comes in two rectangular sizes and three round sizes.

WING Chair

The Wing Chair gets its name from its sculpted side profile.

Available in both arm and armless versions, the design focuses on enveloping its user with its gentle curves and extra padded cushions. Gorgeous subtle piping detail is apparent throughout the chair. The frame is well supported by four solid wooden or Gold Metallic Painted Steel legs. The Wing Chair is available in select fabrics, as well as various leathers.
