

CAMERICH COM WAIVER

Camerich USA is proud to provide COM capabilities to our clients. We give you our word that like everything else we do, we will always strive to produce quality products with our utmost ability.

Nonetheless, it is important that you understand there are inherent risks and uncertainties when it comes to COM/COL orders. Unlike fabrics and leathers within our program, we have limited knowledge and experience with your provided custom fabric/leather.

By signing this document, you are acknowledging the following risks involved with COM/COL orders:

- Camerich USA is not liable for lost/damaged fabrics/leathers during transit
- Camerich USA is not liable for any dye lot or quality issues pertaining to the fabric/leather
- Camerich USA’s One Year Warranty on fabrics and leathers within the Camerich program does not apply to COM/COL fabrics/leathers
- Camerich USA is not liable for any shipping or re-shipping costs associated with COM Fabrics/leathers
- Camerich USA is not liable for any import duty/shipping handling charges for COM material shipping into China
- Camerich USA reserves the right to refuse orders or halt production if a fabric/leather is deemed unsuitable for production
- For COM/COL orders, Camerich USA makes no guarantees as to results of the end product
- Camerich USA is not responsible for saving or shipping back any unused portions of COM/COL fabrics/leathers
- COM/COL orders are considered Custom and Final Sale. No returns or cancellations can be processed on COM/COL orders after Order Confirmation
- Camerich USA will not refund cost of COM/COL fabric/leather under any circumstance
- COM/COL orders may require longer than usual lead times compared to standard custom orders
